Would you access the Internet for information about the progress of this Blue Lagoon Restoration & Sustainable Community Development Assessment Process? Yes No

Have you been a part of community planning activities before? Yes No

If YES, please indicate what the activity was and the issues addressed:

(OVER)

Do you think declaration of the Blue Lagoon area as a National Heritage Site is important? Yes No

Do you think pursuing Blue Lagoon UNESCO World Heritage Site Designation is important for Portland? Yes No

Does the success of your occupation depend upon a clean environment in Jamaica? Yes No

Should the Portland Parish region towns and villages be improved? Yes No

Why are community improvements in Portland Parish of Jamaica important to you?

Will you participate in future activities to improve the Portland Parish region of Jamaica? Yes No

What are your top 3 (three) concerns about living and/or doing business in the Portland Parish region?

1. _____
2. _____
3. _____

What are the main issues of concern you believe Portland Parish community leaders and government should focus upon in planning and action to better guide improvement in Parish communities?

<i>Check the most important.</i>	<i>Cross off those that are a waste of time.</i>	<i>Don't mark unimportant ones.</i>
